# Easter Fingerplays and Songs

## EASTER BUNNY HOP, HOP, HOP

Easter bunny hop, hop, hop  
Wiggles his nose when he stops, stops, stops.  
Easter bunny hop, hop, hop  
Wiggles his ears with a flip, flip, flop.

Easter bunny hop, hop, hop.  
Wiggles his tail with a bip, bip, bop.  
Easter bunny hop, hop, hop.  
Bringing us baskets for Easter day.

## EASTER RABBITS

Five Easter rabbits standing by the door - One hopped away, and then there were four.  
Four Easter rabbits sitting near a tree- One hopped away, and then there were three.  
Three Easter rabbits looking at you - One hopped away, and then there were two.  
Two Easter rabbits enjoying the sun - One hopped away, and then there was one.  
One Easter rabbit sitting all alone - He hopped away, and then there were none.

## EASTER BUNNY

Easter Bunny's ears are floppy.  
(Place hands on side of head and make flop)  
Easter Bunny's feet are hoppy. (Feet hop)  
His fur is soft, (Stroke arm)  
And his nose is fluffy. (Touch nose)  
His tail is short and powder-puffy.  
(Form tail with hands behind)

## LOOKING FOR EGGS

One egg, two eggs, three eggs, four—  
Looks like I just found one more!  
Five eggs in my basket, so beautiful to see,  
Five eggs in my basket, count them now with me:  
One—two—three—four—five!

## EASTER EGGS

5 little Easter eggs lovely colors wore. (Hold up 5 fingers, then bend down)  
Mother ate the blue one, then there were 4.  
4 little Easter eggs, two and two you see,  
Daddy ate the red one, then there were 3.  
Three little Easter eggs; before I knew,  
Sister ate the yellow one, then there were two.  
Two little Easter eggs, oh, what fun!  
Brother ate the purple one, then there was one.  
One little Easter egg, see me run!  
I ate the very last one, and then there were none.
